MEMORANDUM FOR: Warning Working Group Members

SUBJECT : Agenda for the Meeting on 1 December 1978

1. We will meet on 1 December at 1:15 p.m. in Room 7E62. I would appreciate it if Admiral [ ] could give us a brief status report on the progress of the SWS study. It would be premature, however, to discuss substantive issues relating to the SWS at this time.

2. We probably should devote the bulk of the meeting to a discussion of political warning. It should come as no surprise that this is a matter of some interest these days. Among the specific topics are the Working Group's role in improving political warning in response to the President's initiative, the NIO monthly exercise, and the alert memorandum, one of which may well have emerged prior to our meeting.

3. Finally, I would like to discuss and perhaps to some extent schedule the agendas for further meetings in December.

4. Please let me know if there are additional topics that you would like to add.
